Comments

1. What did you particularly like about this subject?

Creating an animation.
No exam.

2. Please suggest any improvements that could be made to this subject.

Smaller class size, would increase group participation.
_ More student involvement was needed.

Please feel free to use the back of this form to make any other comments, particularly in relation to your above ratings.

Comments

1. What did you particularly like about this subject?

Learning 3D Animation

2. Please suggest any improvements that could be made to this subject.

- Since this is an Advanced 3D Animation subject there should be a pre-requisite.
- There are really not enough resources available in the technical side (stuff w/ Houdini)
- More lectures / explaination session with Houdini (how to do stuff).

Please feel free to use the back of this form to make any other comments, particularly in relation to your above ratings.
